Member News

It's Membership Renewal Time

It's hard to believe that another Culinary Guild year is in the books, but September is less than a month away, and it's time to renew your membership.

We'll be sending a renewal reminder separately, but we wanted to let you know that due to increased costs in general and those imposed by the pandemic, we unfortunately need to raise our dues to \$95.

The good news is that oftentimes the discounts you receive from our partners can often offset the cost of membership!

Look for your renewal reminder next week. We are looking forward to enjoying another year of exciting and interesting Guild events with you!

Cook Up Something Wonderful: Join the Culinary Guild Board

The Guild is only as good as its members, particularly its board members, so we are looking toward new people to join our board during the 2022-23 membership year.

Requirements include interest in and enthusiasm for all things culinary! The board meets once or twice a month for about an hour on Zoom. Occasionally we get together in person.

Being on the board is not only fun, but it allows you to make connections with some amazing people.

Contact Culinary Guild president Ellen Gitelman with your interest by clicking on the button below.
